The History and Lineage of Ayurved Sadhana Vidyalaya

The Prabhuram Ayurvedic Vidyalaya (College) was founded in 1896 with good intention to establish a Ayurvedic college which will improve the standards for Ayurvedic practitioners in India and inadequate practitioners can be removed from the system. At that time Ayurveda was already in despair and British Government closing Ayurvedic practices and dispensaries in Bombay and other places with the fear of growth of irresponsible and incompetent physician and at the same time to apply their own system of medicine (allopathic) which they brought with them. One of the practitioners who stood up against it was Vaidya Prabhuram Jivanram and later his son Dr. Popat Prabhuram Vaidya. In Bombay, Vaidya Prabhuram Jivanram started an Ayurvedic practice, and saw it continued to grow. During the times, when Allopathic doctors tried to prove that Ayurveda did not work and tried to stop vaidyas from practicing, Vaidya Prabhuram Jivanram proved that Ayurveda works. He impressed with his clinical knowledge and helped curing many people using Ayurvedic herbs and principles. He demonstrated that this several thousands year old science was indeed very valid and useful.

He was very open minded and shared Ayurvedic knowledge by communicating it with European Allopathic doctors, such as Dr. Cook, Dr. Carter, Dr. Mensur, Dr. Arnot, Dr. Bhavdaji, Dr. Kirtikar and Dr. Hedge, Ayurvedic principles.

Dr. Bharat Vaidya is a skilled Advanced Ayurvedic physician who received his Ayurvedic degree (B.A.M.S.) and advanced medical training in Mumbai. Then obtained a medical degree (M.D.) from prestigious Catholic University of Leuven, Belgium, Europe. He comes from an Ayurvedic family who was instrumental in the establishment of modern Ayurvedic universities in India. He has practiced medicine in India, Europe and in United States.

He specializes in history of Ayurveda, pharmacology, gerontology, rejuvenation, vajikarana (Science of Aphrodisiacs) and other branches of Ayurveda. His main focus is History of Ayurveda, Philosophy and Sutras of Ayurveda, Ethno-pharmacology, Madhav Nidhan (Diagnostics Criteria), Dhātu (Ayurvedic Pathologies), Wellness/Disease Cooking, Seasonal and Panchakarma Cooking, Rasayana (Rejuvenation), Gerontology, Panchakarma, Nighantu (Advanced Ayurvedic Herbal Studies) and Pharmacology. Dr. Vaidya is loved by many of his students for his passionate teaching style and deep knowledge about Ayurveda and its practices along with Vedic knowledge.

Currently, Dr. Bharat Vaidya is practicing Ayurveda in Superior, Colorado USA. Also, he conducts consultations online or via telephone. His practice focuses on chronic diseases, women and children's diseases and health which include Ayurvedic lifestyle counseling, herbal medicines, and prevention measures. He was the main faculty member at Rocky Mountain Institute of Yoga and Ayurveda (RMIYA) and Alandi Ashram. Currently, he teaches Ayurved Sadhana Vidyalaya along with consultations and mentoring of students. Dr. Vaidya also specializes and offers Ayurvedic Doula classes for certified Doulas covering diet, food, and health and oils.

Anupama Vaidya is a software engineer, skilled Ayurvedic cook, and mother of two growing boys.

She co-teaches with her husband, Dr. Bharat Vaidya, for the herbal preparation and cooking hands on classes. Her cooking classes offer flavorful Indian style, gluten free and most important, Ayurvedic preparations for different doshas, seasons and conditions. Her class notes are detailed and clear with valuable recipes and information. She teaches many delicious recipes for prenatal, postnatal and baby nutrition and health care.
